BAY OF FIRES ★★★★★

Tasmania

The winery was founded upon the vision and spirit of our dedicated winemaking and vinicultural team, who believed Tasmania would one day be the pre-eminent region in Australia to produce cool climate wines with intense flavor and aroma in Riesling and Sauvignon Blanc, richness and structure in Pinot Gris and Chardonnay with deep, bright colour in our Pinot Noir. James Halliday rates Bay of Fires/House of Arras as an Outstanding Winery in 2014. "successive multi-trophy-winning vintages of Pinot Noir in particular, have an exalted reputation".

BIRD OF FIRE

Riverina, New South Wales

Previously called Flying Finix, Bird of Fire is a rich and elegant label of Botrytis dessert wine inspired by the long-lived phoenix. In Greek mythology, this mystical bird is reborn from the ashes of its predecessor, becoming a symbol of renewal and life. The Hunter Valley is internationally acclaimed for producing award-winning Botrytis wines and this wine is no exception. With a brilliant golden colour and toasty, honey aromas, it's the closest thing to heaven you can put in a bottle and a superb compliment to dessert and pungent blue cheese.

GREEK GRAPE VARIETALS

WHITE & PINK GRAPES

AIDANI

Steely, elegant and floral wines, with fresh acidity and round texture. Used mainly in Santorini in blends to round off and soften the austere, crisp and sometimes high-alcohol Assyrtiko.

ASSYRTIKO

Broad on the palate, with fresh and crisp acidity and high levels of alcohol. On the flavour profile there are distinctive citrus fruit aromas and intense minerality. Aged wines reveal a more solid structure and increased aromatic complexity.

ATHIRI

Fresh, elegant, fruity wines with moderate to high alcohol, medium-bodied and soft acidity. Adds suppleness and softness to the more angular Assyrtiko, but many good varietal examples can be found.

DEBINA

Lemony aroma, high acidity, light-bodied and usually low in alcohol. Very elegant. Can be still and dry or semi-sparkling (dry or semi-sweet). The effervescent variations can be excellent.

MALAGOUSIA

Intense, complex and idiosyncratic aromatic profile with ripe peaches and apricots coupled with hints of fresh green bell pepper. Moderate acidity, high extract and a full palate. When aged in oak, it shows excellent development and ageing potential.

MOSCHOFILERO

Intense flowery character, with an emphasis on rose petal aromas, citrus and fresh fruit. On the palate it has fresh flavours, crisp acidity and medium to low alcohol levels.

MUSCAT OF SAMOS

Outstanding complexity of fragrant rose petal, ripe fruit and bergamot flavours. Rich and dense, with moderate acidity, dense structure and ageing ability. When aged in oak, sweet versions gain an intricate spiciness while retaining a remarkable freshness.

KIDONITSA

As the name suggests, since kidoni is “quince” in Greek, this emerging variety has intense aromas, reminiscent of quince, together with ripe peaches and an underlying minerality. On the palate it is soft, juicy and enveloping.

ROBOLA

Aromatic, fresh wines of exceptional quality with delicate citrus and mineral aromas. Very balanced, with crisp lemony acidity and medium body. Depth of fruit and complexity. Can be interesting when aged in bottle.

RODITIS

Pink-coloured variety. High levels of fruit, often reminiscent of ripe melon and honey, intense aromas and flavours. The palate has a broad framework and a refreshing, almost Sauvignon Blanc-like, lemony finish.

SAVATIANO

Has the potential to produce wines with aromatic intensity, high fruit levels while being balanced and juicy on the palate. Surprisingly elegant and aromatic when sourced from cooler sites and/or old vines.

VILANA

Moderate to intense floral and spicy aromatic profile, especially when planted in low-fertility vineyards. Moderate to high alcohol content, soft, yet balanced, acidity and an extremely refreshing palate.

VIDIANO

Elegant but highly defined aromas on the nose, suggesting florality together with ripe stone fruits. On the palate it is medium in body, but shows extract and minerality. Emerging varietal with claims for top quality.

GREEK GRAPE VARIETALS

RED GRAPES

AGIORGITIKO

When aged in oak, it displays a deep colour, concentrated character of red fruits and aromatic complexity. Rich in body, with high quality and ripe tannins. When bottled young, it is an easy drinking wine, with medium acidity, soft tannins and fresh aromas of red fruits.

KOTSIFALI

Pale-coloured, a truly Mediterranean variety, with high alcohol content, intense red fruit aromas and moderate acidity. Kotsifali needs a blending partner that can add colour, acidity and tannins, usually Mandelaria.

LIATIKO

Wines with moderate colour intensity, aromatic and with moderate acidity on a linear palate. When sundried, the variety displays a different character, has higher acidity and concentration while flavours become more powerful and complex.

LIMNIO

An ancient grape variety, first mentioned by Homer, suffused with fresh herb and small-berried fruit aromas, coming across with clarity and intensity. On the palate it has moderate tannins, colour, a moderately full body and relatively low acidity.

LIMNIONA

Another emerging variety that, despite being a “work in progress” for many producers, has raised great expectations. Full of minerality and fresh herbs on the nose while the palate is multi-layered, with a highly focused acidity.

MANDELARIA

The most deep-coloured variety in Greece, with a relative lack of body and intensity of aromas and flavours, but plenty of acidity and tannin. Therefore, Mandelaria frequently acts as a blending partner, but single varietal examples can be interesting.

MAVRODAPHNE

Usually associated with a pale tawny-red, sweet, fortified wine. Silky, fine-grained and faintly tannic; impressive and extraordinarily complex when aged in oak barrels for years, even decades. Very promising dry varietal reds too, which are gaining momentum.

MAVROTRAGANO

A recent discovery, with dense colour, concentrated and deep on the nose, but without a single note of burnt character. Rich on the palate and coated with graceful tannins that can stand up to two years in oak. A rising star.

XINOMAVRO

Producing wines that rise to prominence with aging, it displays a bright red colour, fine grained but firm tannins, solid structure and elegance. A complex aromatic character, with distinct aromas red fruits, tomatoes and olives. It usually has aromas of oak, with subtle hints of spices, dried prunes, tobacco and nuts. Long ageing potential in bottle.

DOMAINE PORTO CARRAS

Halkidiki, Northern Greece

The Winery was built in 1980 and along with the Vineyards, set a milestone in the Greek wine industry. Its location in a valley was chosen to be invisible to the passer, both from the road and the sea, thereby protecting the beauty of the landscape. It is also worth mentioning the extremely significant contribution of the father of modern wine-making, University of Bordeaux Professor Emile Peynaud, who assisted in developing the first "Greek" Cabernet Sauvignon. Ideally adapted to the chalky and schistose soils of the Domaine, allows this variety to achieve great heights internationally, winning coveted awards, prizes and medals

The design and selection of the Winery location at the centre of the Vineyard helps in the fast delivery and process of grapes, aiming at maintaining their quality dynamics and to avoid oxidation.

SANTO WINES

Santorini, Greece

The winery was completed in 1992 in the village of Pyrgos, in a wonderful location on the caldera. Today, Santo are proud because in one of the most modern wineries in Greece technological perfection harmonizes wonderfully with the landscape uniqueness of the island. It's innovative architecture is remarkable, as it is built on different levels, just as the famous so- called "terraces" of the vineyard. During the whole winemaking process Santo utilize the physical phenomenon of gravity which replaces the use of pumps for the transfer of the wine which upgrades the quality of the wines produced.

- 2.1 The Client is taken to have exclusively accepted and is immediately bound, jointly and severally, by these terms and conditions if the Client places an order for Goods, or accepts Delivery.
- 2.2 These terms and conditions may only be amended with both parties consent in writing and shall prevail to the extent of any inconsistency with any other document or agreement between the Client and EWD (NSW).
- 2.3 These terms and conditions are meant to be read in conjunction with the Terms and Conditions posted on EWD (NSW)'s website. If there are any inconsistencies between the two documents then the terms and conditions contained in this document shall prevail.
- 2.4 These general terms and conditions are meant to be read in conjunction with the applicable terms and conditions for sale and/or hire. If there are any inconsistencies between the relevant documentation, then the terms and conditions contained therein shall prevail.
- 2.5 Electronic signatures shall be deemed to be accepted by either party providing that the parties have complied with Section 9 of the Electronic Transactions Act 2000 or any other applicable provisions of that Act or any Regulations referred to in that Act.

3. Change in Control

- 3.1 The Client shall give EWD (NSW) not less than fourteen (14) days prior written notice of any proposed change of ownership of the Client and/ or any other change in the Client's details (including but not limited to, changes in the Client's name, address, contact phone or fax number/s, or business practice). The Client shall be liable for any loss incurred by EWD (NSW) as a result of the Client's failure to comply with this clause.

4. Price and Payment

- 4.1 At EWD (NSW)'s sole discretion the Price shall be calculated on the basis of batch size, and either:
 - (a) as indicated on any invoice(s) provided by EWD (NSW) to the Client; or
 - (b) the price as at the date of Delivery; or
 - (c) EWD (NSW)'s quoted price (subject to clause 6.2) which will be valid for the period stated in the quotation or otherwise for a period of thirty (30) days. Whilst EWD (NSW) will endeavour to be as accurate as possible when quoting the Price, the Client acknowledges that the Price

is based on information supplied by the Client, and as such, the Price is subject to change as per clause 6.2.

- 4.2 EWD (NSW) reserves the right to change the Price to reflect any variation to EWD (NSW)'s quotation or from the plan of scheduled Services or specifications of Goods (including any variation as a result of any incorrect information supplied by the Client, changes to the recipe or order, and any event beyond the reasonable control of EWD (NSW), etc.).
- 4.3 EWD (NSW) requires (at its sole discretion) a deposit prior to production commences, the balance of which will be invoiced once the Goods are packaged for Delivery or on receipt of an order.
- 4.4 Unless otherwise stated in writing, the Price includes packaging in a single bulk lot for Delivery to the Client's distributor, or for export.
- 4.5 At EWD (NSW)'s sole discretion, any extra costs for Delivery

or storage, or other incidental costs, shall be charged to the Client in addition to the Price. Any excise, bottle,

label and carton charges will be invoiced to the Client on

the basis of actual cost, and other costs will be charged on a per-batch basis.

- 4.6 Time for payment for the Goods being of the essence, the Price will be payable by the Client on the date/s determined by EWD (NSW), which may be:
 - (a) on Delivery;
 - (b) thirty (30) days following the end of the month in which a statement is posted to the Client's address or address for notices;
 - (c) the date specified on any invoice or other form as being the date for payment; or
 - (d) failing any notice to the contrary, the date which is seven (7) days following the date of any invoice given to the Client by EWD (NSW).
- 4.7 Payment may be made by cash, cheque, bank cheque, electronic/on-line banking, credit card, or by any other method as agreed to between the Client and EWD (NSW).
- 4.8 Unless otherwise stated the Price does not include GST. In addition to the Price the Client must pay to EWD (NSW) an amount equal to any GST EWD (NSW) must pay for any supply by EWD (NSW) under this or any other agreement for providing EWD (NSW)'s Services. The Client must pay GST, without deduction or set off of any other amounts, at the same time and on the same basis as the Client pays the Price. In addition the Client must pay any other taxes and duties that may be applicable in addition to the Price except where they are expressly included in the Price
- 4.9 Receipt by EWD (NSW) of any form of payment other than cash shall not be deemed to be payment until that form of payment has been honoured, cleared or recognised, and until then EWD (NSW)'s ownership or rights in respect of the Goods, and this agreement, shall continue.

5. Goods on Consignment

- 5.1 Where Goods are supplied on consignment for promotional purposes, the following provisions apply specifically to those Goods:
 - (a) the Goods shall be at the Client's risk from the time of Delivery, and the Client shall be responsible for insuring the Goods;
 - (b) the Client may retain possession of the Goods until the Client sells them, or EWD (NSW) requires the return of the Goods at the end of the promotion, whichever first occurs;
 - (c) any consignment Goods shall be returned at the Client's cost;
 - (d) the Client shall notify EWD (NSW) at the end of the promotional period of all consignment Goods sold during that time and shall, within fourteen (14) days following the conclusion of the promotion, make payment to EWD (NSW) for all consignment Goods sold.

6. Delivery

- 6.1 Delivery of the Goods ("Delivery") is taken to occur at the time:
 - (a) the Client (or the Client's nominated carrier) takes possession of the Goods at EWD (NSW)'s address; or
 - (b) that EWD (NSW) (or EWD (NSW)'s nominated carrier) delivers the Goods to the Client's nominated address, even if the Client is not present.
- 6.2 EWD (NSW) may deliver the Goods in separate instalments. Each separate instalment shall be invoiced and paid in accordance with the provisions in these terms and conditions.
- 6.3 Any time specified by EWD (NSW) for Delivery is an estimate only and EWD (NSW) will not be liable for any loss or damage incurred by the Client as a result of any delay (including any costs, claims, suits, demands or any consequential damages or losses suffered by the Client, such as any deterioration in the quality of the Goods, etc.). However both parties agree that they shall make every endeavour to enable the Delivery to be effected at the time and place as was arranged between both parties. In the event that EWD (NSW) is unable to supply the Goods as agreed solely due to any action or inaction of the Client then EWD (NSW) shall be entitled to charge the Client for any expenses or additional costs incurred by EWD (NSW) as a result of the delay, and/or a reasonable fee for re-supplying the Goods at a later time and date (where required).

7. Risk

- 7.1 Risk of damage to or loss of the Goods passes to the Client on Delivery and the Client must insure the Goods on or before Delivery.
- 7.2 If any of the Goods are damaged or destroyed following Delivery but prior to ownership passing to the Client, EWD (NSW) is entitled to receive all insurance proceeds payable for the Goods. The production of these terms and conditions by EWD (NSW) is sufficient evidence of EWD (NSW)'s rights to receive the insurance proceeds without the need for any person dealing with EWD (NSW) to make further enquiries.
- 7.3 If the Client requests EWD (NSW) to leave Goods outside EWD (NSW)'s premises for collection, or to deliver the Goods to an unattended location then such Goods shall be left at the Client's sole risk.

8. Out of Stock/Substitution

- 8.1 EWD (NSW) will use its reasonable endeavours to ensure that all Goods ordered by the Client are supplied to the Client. If the Goods ordered are not available in stock, EWD (NSW) shall work with the Client on a case by case basis where options may include back order of Goods or amendment to the order.

9. Title

- 9.1 EWD (NSW) and the Client agree that ownership of the Goods shall not pass until:
- (a) the Client has paid EWD (NSW) all amounts owing to EWD (NSW); and
 - (b) the Client has met all of its other obligations to EWD (NSW).
- 9.2 It is further agreed that, until ownership of the Goods passes to the Client in accordance with clause 12.1:
- (a) the Client is only a bailee of the Goods and must return the Goods to EWD (NSW) on request.
 - (b) the Client holds the benefit of the Client's insurance of the Goods on trust for EWD (NSW) and must pay to EWD (NSW) the proceeds of any insurance in the event of the Goods being lost, damaged or destroyed.
 - (c) the Client must not sell, dispose, or otherwise part with possession of the Goods other than in the ordinary course of business and for market value. If the Client sells, disposes or parts with possession of the Goods then the Client must hold the proceeds of any such act on trust for EWD (NSW) and must pay or deliver the proceeds to EWD (NSW) on demand.
 - (d) the Client should not convert or process the Goods or intermix them with other goods but if the Client does so then the Client holds the resulting product on trust for the benefit of EWD (NSW) and must sell, dispose of or return the resulting product to EWD (NSW) as it so directs.
 - (e) the Client irrevocably authorises EWD (NSW) to enter any premises where EWD (NSW) believes the Goods are kept and recover possession of the Goods.
 - (f) EWD (NSW) may recover possession of any Goods in transit whether or not Delivery has occurred.
 - (g) the Client shall not charge or grant an encumbrance over the Goods nor grant nor otherwise give away any interest in the Goods while they remain the property of EWD (NSW).
 - (h) EWD (NSW) may commence proceedings to recover the Price notwithstanding that ownership of the Goods has not passed to the Client.

 - (d) not register, or permit to be registered, a financing statement or a financing change statement in relation to the Goods and/or collateral (account) in favour of a third party without the prior written consent of EWD (NSW);
 - (e) immediately advise EWD (NSW) of any material change in its business practices of selling the Goods which would result in a change in the nature of proceeds derived from such sales.
- 10.4 EWD (NSW) and the Client agree that sections 96, 115 and 125 of the PPSA do not apply to the security agreement created by these terms and conditions.
- 10.5 The Client waives their rights to receive notices under sections 95, 118, 121(4), 130, 132(3)(d) and 132(4) of the PPSA.
- 10.6 The Client waives their rights as a grantor and/or a debtor under sections 142 and 143 of the PPSA.

- 10.7 Unless otherwise agreed to in writing by EWD (NSW), the Client waives their right to receive a verification statement in accordance with section 157 of the PPSA.

11. Security and Charge

- 11.1 In consideration of EWD (NSW) agreeing to supply Goods, the Client charges all of its rights, title and interest (whether joint or several) in any land, realty or other assets capable of being charged, owned by the Client either now or in the future, to secure the performance by the Client of its obligations under these terms and conditions (including, but not limited to, the payment of any money).

12. Defects, Warranties and Returns, Competition and Consumer Act 2010 (CCA)

- 12.1 The Client must inspect the Goods on Delivery and must within seven (7) days of such time notify EWD (NSW) in writing of any evident defect/damage, shortage in quantity, or failure to comply with the description. The Client must notify any other alleged defect in the Goods as soon as reasonably possible after any such defect becomes evident. Upon such notification the Client must allow EWD (NSW) to inspect the Goods.
- 12.2 Under applicable State, Territory and Commonwealth Law (including, without limitation the CCA), certain statutory implied guarantees and warranties (including, without limitation the statutory guarantees under the CCA) may be implied into these terms and conditions ("Non-Excluded Guarantees").
- 12.3 EWD (NSW) acknowledges that nothing in these terms and conditions purports to modify or exclude the Non-Excluded Guarantees.
- 12.4 Except as expressly set out in these terms and conditions or in respect of the Non-Excluded Guarantees, EWD (NSW) makes no warranties or other representations under these terms and conditions including but not limited to the quality or suitability of the Goods.  - (e) fair wear and tear, any accident, or act of God.
- 12.10 EWD (NSW) may (in its absolute discretion) accept non-defective Goods for return, in which case EWD (NSW) may require the Client to pay handling fees of up to twenty percent (20%) of the value of the returned Goods, plus any freight costs.
- 12.11 Notwithstanding anything contained in this clause if EWD (NSW) is required by a law to accept a return then EWD (NSW) will only accept a return on the conditions imposed by that law.

13. Labelling and Packaging

- 13.1 It shall be the Client's responsibility to supply artwork (and materials) for any labelling and/or packaging of the Goods (EWD (NSW) may recommend graphic artists in this respect). EWD (NSW) prefers to use their nominated printer, and where another printer is used EWD (NSW):
- (a) may charge the Client extra administrative fees to cover any additional liaising therewith; and
 - (b) will not be responsible for any arising loss or damage which may arise from the incompatibility between the labelling and EWD (NSW)'s equipment.

14. Default and Consequences of Default

- 14.1 Interest on overdue invoices shall accrue daily from the date when payment becomes due, until the date of payment, at a rate of two and a half percent (2.5%) per calendar month (and at EWD (NSW)'s sole discretion such interest shall compound monthly at such a rate) after as well as before any judgment.
- 14.2 If the Client owes EWD (NSW) any money the Client shall indemnify EWD (NSW) from and against all costs and disbursements incurred by EWD (NSW) in recovering the debt (including but not limited to internal administration fees, legal costs on a solicitor and own client basis, EWD (NSW)'s contract default fee, and bank dishonour fees).
- 14.3 Further to any other rights or remedies EWD (NSW) may have under this contract, if a Client has made payment to EWD (NSW) by credit card, and the transaction is subsequently reversed, the Client shall be liable for the amount of the reversed transaction, in addition to any further costs incurred by EWD (NSW) under this clause 19 where it can be proven that such reversal is found to be illegal, fraudulent or in contravention to the Client's obligations under this agreement.
- 14.4 Without prejudice to any other remedies EWD (NSW) may have, if at any time the Client is in breach of any obligation (including those relating to payment) under these terms and conditions EWD (NSW) may suspend or terminate the supply of Goods to the Client. EWD (NSW) will not be liable to the Client for any loss or damage the Client suffers because EWD (NSW) has exercised its rights under this clause.
- 14.5 Without prejudice to EWD (NSW)'s other remedies at law EWD (NSW) shall be entitled to cancel all or any part of any order of the Client which remains unfulfilled and all amounts owing to EWD (NSW) shall, whether or not due for payment, become immediately payable if:
- (a) any money payable to EWD (NSW) becomes overdue, or in EWD (NSW)'s opinion the Client will be unable to make a payment when it falls due;
 - (b) the Client becomes insolvent or bankrupt, convenes a meeting with its creditors or proposes or enters into an arrangement with creditors, or makes an assignment for the benefit of its creditors; or

15. Cancellation

- 15.1 EWD (NSW) may cancel any contract to which these terms and conditions apply or cancel Delivery at any time before the Goods are delivered and/or production has commenced by giving written notice to the Client. On giving such notice EWD (NSW) shall repay to the Client any money paid by the Client for the Goods, less any amounts owing for Goods already supplied. EWD (NSW) shall not be liable for any loss or damage whatsoever arising from such cancellation.
- 15.2 In the event that the Client cancels Delivery, the Client shall be liable for any and all loss incurred (whether direct or indirect) by EWD (NSW) as a direct result of the cancellation (including, but not limited to, any loss of profits).
